Until the spell ends, whenever you or a creature you can see moves into the spirit's space for the first time on a turn or starts its turn there, you can cause the spirit to restore 1d6 hit points to that creature (no action required). The spirit can't heal constructs or undead.

Examines the development of Jewish canonical writings, looks at how the Jews adjusted to being a conquered people, and discusses Jewish emotional traditions

Living life without purpose leads to a multitude of foolish choices! Have you ever had a small pebble hit your car windshield, only to leave a small crack in it? Hardly noticeable, huh? This very tiny crack can remain unnoticeable for days, months, or even years until you hit something hard enough to shatter it. Now that it's shattered, it's a bit more noticeable and begins to look unattractive. Do you get it fixed immediately, wait a while before fixing it or wait until it finally breaks? The answer to this question can be debatable depending on the reader. Nevertheless, one or more answers can be found in this book. Why? Because it will become clear what can be expected when God sends us through a breaking process. When He needs our attention. Broken is all about my testimony of discovering the true meaning of a very powerful Bible verse:Psalm 51:17,"My sacrifice [the sacrifice acceptable] to God is a broken spirit; a broken and a contrite heart [broken down with sorrow for sin and humbly and thoroughly penitent], such, O God, You will not despise." (Amplified)This one verse has changed my views on life. My prayer is that it will change yours too. You will discover, as you ponder the pages of this book, that life is a matter of choices (good and bad). How I lived mine emotionally drained me from the stress and anxieties of unclothing the bad ones I made. I continuously ignored a habitual cycle of duplicating mistakes, making bad decisions and choosing to stay in an, all-to-familiar, seemingly comfortable place. I got caught up, expecting a different outcome of the same life situations, never getting the lesson to be learned from the experience. Blame ultimately fell on everyone else but me, to cover up what I feared showing the most, my identity. After reading Broken one can discover that the one acceptable sacrifice God wants is a broken spirit, a broken and contrite heart. I hope that you find the eight chapters of this book gratifying, insightful and empowering enough to embrace your own journey of being broken.

"001 Foundation" is the first book in the Becker Bible Studies series for hungry Christians. It contains 1,057 Biblical workbook questions, each having Biblical references to support the answers. All lessons progress from simple statements of fact to new and difficult concepts, and are followed by tests written to enrich and challenge the learning process. A readable and comprehensive workbook for both teachers and studies.Although it is possible to use "001 Foundation" for self-study, it is recommended for most students to receive instruction through a teacher, most often in a home setting. The gathering of Christians to learn the Word of God in a setting most conducive to growth, guided by a teacher and in the presence of the Holy Spirit, is the ideal environment for this study of "001 Foundation" to nourish.It is imperative that serious Bible students who are hungry for the Word of God start their study with a solid foundation so everyone is on the same page. Since it is impossible to determine any gaps or misinformation in the foundation of a person's spiritual knowledge, growth, and faith, this first book lays the foundation before the in-depth Bible studies take place.With many more books to follow upon which to build one's spiritual knowledge and faith, "001 Foundation" is the first one with which to get started.

Mental health problems among asylum seekers and refugees are becoming a public issue, but awareness of this problem among the mental health community is relatively low. Although advances have been made in the provision of innovative mental health services for asylum seekers and refugees with PTSD, they are not systemized, and not widely known to professionals in the field. A publication offering practical guidelines for the treatment of torture victims and political refugees does not exist. Broken Spirits aims to bring together the works of the most respected mental health professionals - from the U.S. and abroad - and make available the most current knowledge on complex PTSD, forced migration and cultural sensitivity in diagnosis and treatment.

After five years of loving and honoring her husband, Savannah Perez worried that her marriage to Cruz was doomed. She loved him so much, but felt that his backbreaking devotion to their new ranch was ruining their relationship. Cruz Perez felt he had something to prove, so he pushed himself beyond his limits. He wanted the best for his wife and son, but tried to forget the pained looks they gave him when he returned home late at night. He knew he had to show his pregnant wife that she meant everything to himbefore it was too late.
