Contentment is a super power. If you can learn the skills of contentment, your life will be better in so many ways: You'll enjoy your life more. Your relationship will be stronger. You'll be better at meeting people. You'll be healthier, and good at forming healthy habits. You'll like and trust yourself more. You'll be jealous less. You'll be less angry and more at peace. You'll be happier with your body. You'll be happier no matter what you're doing or who you're with. Those are a lot of benefits, from one small bundle of skills. Putting some time in learning the skills of contentment is worth the effect and will pay off for the rest of your life.

"An amazing achievement. . . A compulsively readable novel, so canny and weird and surfeited with the reality of human capacity and ingenuity that I am stymied for comparison. Dickens and David Lynch? Defoe meets Margaret Atwood? Judge for yourself." -Gregory Maguire, New York Times-bestselling author of Wicked The wry, macabre, unforgettable tale of an ambitious orphan in Revolutionary Paris, befriended by royalty and radicals, who transforms herself into the legendary Madame Tussaud. In 1761, a tiny, odd-looking girl named Marie is born in a village in Switzerland. After the death of her parents, she is apprenticed to an eccentric wax sculptor and whisked off to the seamy streets of Paris, where they meet a domineering widow and her quiet, pale son. Together, they convert an abandoned monkey house into an exhibition hall for wax heads, and the spectacle becomes a sensation. As word of her artistic talent spreads, Marie is called to Versailles, where she tutors a princess and saves Marie Antoinette in childbirth. But outside the palace walls, Paris is roiling: The revolutionary mob is demanding heads, and . . . at the wax museum, heads are what they do. In the tradition of Gregory Maguire's Wicked and Erin Morgenstern's The Night Circus, Edward Carey's Little is a darkly endearing cavalcade of a novel—a story of art, class, determination, and how we hold on to what we love.

A comprehensive guide to small-space secrets and real-life solutions for living in 1,200 square feet or less. The Little Book of Living Small shows readers how to make the most of limited square footage—with grace and style—and serves as the cheerleader readers need to help themselves feel satisfied and proud of their choice to live with less. In addition to exploring both the motivation behind choosing to live in a small space, as well as the practical, everyday advice for managing a tight footprint, The Little Book of Living Small also includes case studies: 12 style-savvy, small-space dwellers open their doors and share their design secrets. Author Laura Fenton covers a range of homes including studio apartments, one- and two-bedroom houses, a tiny house, a co-living space, and even whole houses. Stylistically these homes range from urban, rural, minimalist, and country, with the unifying thread that they are all real homes of less than 1,200 square feet that offer clever solutions that readers can use in their own homes. Laura Fenton is the lifestyle director at Parents magazine. With more than fifteen years of experience, her work has appeared in major publications including Better Homes & Gardens, Country Living, Good Housekeeping, and on leading home websites including Remodelista.com, HGTV.com, ElleDecor.com, HouseBeautiful.com, Refinery29, and elsewhere. Through her writing she has explored the topic of living small for more than a decade. She lives small with her husband, a photographer, and their son in Jackson Heights, Queens, in New York.

In fact, the union should more than make up for his lack of social graces--and his own scandalous past. . . But Minds Change. . . Marissa knows that betrothal to the son of a duke--even one as raw and masculine as Jude--will save her from ruin, but that doesn't mean she's happy about it. Meet Prinny, Chelsea and Diana. Prinny is the owner of Cosmos, a shop that sells crystals, potions, candles, and hope. It's also a place where no one turns down a little extra-special cocktail that can work as a romance potion or heal a broken heart. But Prinny is in love with her married lawyer and she'll need nothing short of magic to forget about him. Chelsea works as a living statue at tourist sites around Washington, DC. It's a thankless job, but it helps pay the rent. That, and her part-time job at Cosmos. As her dream of becoming a successful actress starts to seem more remote and the possibility of being a permanently struggling one seems more realistic, Chelsea begins to wonder: at one point do you give up on your dreams? And will love ever be in the cards for her? Diana Tiesman is married to Leif, a charismatic man who isn't faithful. But no matter how many times he lets her down, Diana just can't let him go. She knows the only way she can truly breakaway is if she leaves and goes where he will never think to follow. So she ends up at Cosmos with Leif's stepsister, where she makes her homemade teas and tinctures as she figures out whether she'd rather be lonely alone than lonely in love. In Beth Harbinson's One Less Problem Without You, three women suddenly find themselves together at their own very different crossroads. It will take hope, love, strength and a little bit of magic for them to find their way together.

THE NEW YORK TIMES BESTSELLING PHENOMENON From Beth Kery, the national bestselling author of Explosive, comes a red-hot romance like no other--where the rules of attraction are broken with that first electrifying touch. Meet Francesca and Ian. The fantasies of what's to come begin... Because You Are Mine, Part I Because You Tempt Me It starts with that first look, when you know you have to have him... Francesca Arno has been commissioned to create a grand centerpiece painting for the lobby of Ian Noble's new skyscraper. It's at a cocktail party in her honor that she first meets him--and the attraction is immediate for Francesca. It's also bewildering. She's not used to such a wholesale sexual response to a stranger. Enigmatic, darkly intense, with a commanding presence, Ian completely unnerves her. And she likes it. For Ian, she's the kind of woman he can't resist--one that comes all too rarely: a true innocent. But he can sense in her a desire to open up, to experiment, to give herself to the fantasies of a man in control. The first kiss, the first caress, the first challenge for a woman who craves what she's never had--a man who gets what he wants. More to come. Don't miss Because You Are Mine, Part II, available 8/7

With nothing left to lose, an Oxford don, an English lord, a society physician, and a French art dealer go after Harvey Metcalf, the expert in international stock fraud who took their money. Reprint.

Have you ever gone just a little too far? Lexie Banks has. Yep. She just had mind-blowing sex with her stepbrother. In her defense, she was on the rebound, and it's more of a my-dad-happened-to-marry-a-woman-with-a-super-hot-son situation. But still, he's been her best friend and confidant for the better part of the last few years . . . and is so off limits. It's a good thing she's leaving in two days for a year abroad in Rome. But even thousands of miles away, Lexie can't seem to escape trouble. Raised Catholic, she goes to confession in hopes of alleviating some of her guilt . . . and maybe not burning in hell. Instead, she stumbles out of the confessional and right into Alessandro Moretti, a young and very easy-on-the-eyes deacon . . . only eight months away from becoming a priest. Lexie and Alessandro grow closer, and when Alessandro's signals start changing despite his vow of celibacy, she doesn't know what to think. She's torn between falling in love with the man she shouldn't want and the man she can't have. And she isn't sure how she can live with herself either way.
