They're working hard to keep the past "in the past," said Elder Staheli, who praised the "cooperation and support" of town leaders, including Mayor Tom Wilson. After enduring nearly 30 months of road closures, heavy equipment traffic, noise, dust and night-lighting, workers were literally rolling out the red carpet on the landing in front of the temple doors Wednesday morning.

An important history of early photography in Singapore and Malaya documented in an album of rare re-discovered black and white prints. The plates are complemented by detailed notes and an illustrated introductory essay which tells the story of the firm in the context of nineteenth century photography in Singapore and Malaya. An invaluable reference tool is provided in the index of photographers in Singapore and Malaya which presents biographical and professional information on photographers operating in the region up to 1914.

A Vision of Fire is the explosive first novel from iconic X-Files star Gillian Anderson and New York Times bestselling author Jeff Rovin: "Fans of Douglas Preston and Lincoln Child will find a lot to like" (Publishers Weekly). Renowned child psychologist Caitlin O'Hara is a single mom trying to juggle her job, her son, and a lackluster dating life. Her world is suddenly upturned when Maanik, the daughter of India's ambassador to the United Nations starts speaking in tongues and having violent visions. Maanik's parents are sure that her fits have something to do with the recent assassination attempt on her father—a shooting that has escalated nuclear

tensions between India and Pakistan to dangerous levels—but when children start having similar outbursts around the world, Caitlin begins to think that there's a stranger force at work. In Haiti, a student claws at her throat, drowning on dry land. In Iran, a boy suddenly and inexplicably bursts into flame. On the Pakistan border, a young man feels a burning in his chest and, against his will, opens fire on Indian troops. With Asia on the cusp of nuclear war, Caitlin must race across the globe and uncover the supernatural links between these seemingly unrelated cases in order to save her patient—and perhaps the world. The first in a series, *A Vision of Fire* is a pulse-pounding thriller that will leave you gasping for more.

In 1355, Margaret of Ashbury depends on renegade friar Brother Gregory to record her life story and her experience of a state of Mystic Union, and he is forced to accept the state of grace of this "mere woman." Reader's Guide included. Reprint. 25,000 first printing.

In a time of record-setting deficits and concern over burgeoning debt, perhaps no single issue is more hotly debated than how to fix Social Security, a program long called the "third rail" of American politics because it killed the political career of anyone who touched it. But the immediacy of America's fiscal problems presents an opportunity to reform and renew one of the largest expenditures in the federal budget. Fixing Social Security requires us to understand the purpose of the program, how it was designed to work, and why it is going broke. In *Social Security: The Story of Its Past and a Vision for Its Future*, Andrew G. Biggs retraces the history

of Franklin Roosevelt's plan to provide for retirees, explains why the current system is unsustainable, and offers a plan to pay back "legacy debt" and create a sound Social Security system for the future.

The fast-paced sequel to *Specter of the Past* pits Han, Luke, and Leia against the cunning Major Tierce, who is intent on cultivating discord within the New Republic and raising the evil Admiral Thrawn from the dead. Reprint.
