Abundant with texture and detail, the "Be Strong & Courageous" zippered flexcover journal has the look and feels of an antique book. Smooth and deeply grained faux leather join for contrast. Delicately engraved borders embellish the spine and corner blocks. A gold foil filigree frames the debossed text and highlights the spine. This is a journal to display just like you would an antique book! The front carries text from Joshua 1:9, and the complete verse is skillfully debossed into the back cover.

This Brown Flexcover Journal features Scripture from Joshua 1:9 debossed into the front cover in a creative, stylized design. A seamless Celtic knot pattern is impressed into the back cover. The journal cover is constructed of quality man-made material with the look and feel of real leather (trade name LuxLeather). Inside, the lined pages each carry a line from Scripture, and there is an attached ribbon page marker. Our writing journals are perfect for gift-giving, with a presentation page in the front. 5 1/4 x 7 Inch - 240 Lined Pages

In *The Vintage Book of African American Poetry*, editors Michael S. Harper and Anthony Walton present the definitive collection of black verse in the United States--200 years of vision, struggle, power, beauty, and triumph from 52 outstanding poets. From the neoclassical stylings of slave-born Phillis Wheatley to the wistful lyricism of Paul Lawrence Dunbar . . . the rigorous wisdom of Gwendolyn Brooks...the chiseled modernism of Robert Hayden...the extraordinary prosody of Sterling A. Brown...the breathtaking, expansive narratives of Rita Dove...the plaintive rhapsodies of an imprisoned Elderidge Knight . . . The postmodern artistry of Yusef Komunyakaa. Here, too, is a landmark exploration of lesser-known artists whose efforts birthed the Harlem Renaissance and the Black Arts movements--and changed forever our national literature and the course of America itself. Meticulously researched, thoughtfully structured, *The Vintage Book of African-American Poetry* is a collection of inestimable value to students, educators, and all those interested in the ever-evolving tradition that is American poetry.

The warfare book in the Old Testament is the book of Joshua. These are the marching orders God gave to Joshua. The Bible says, "Have I not commanded you? Be strong and courageous! Do not tremble or be dismayed, for the Lord your God is with you wherever you go" (Jos. 1:9). This compilation examines the infallible scriptures that discuss courage, courageous, bold, boldness, and valiant. They will give you fresh revelation and insight, build your faith, and bless you richly.

I was always curious about the diaries of granny. The family told stories that were passed down generation to generation but the actual diaries in hand will tell the true story of her life. She had faith in God that sustained her through her hardship in life. She lived through historical events that will encourage others to stand firm in their beliefs. Her deafness was no obstacle to her as she wrote the diary books. I hope the readers will be enlightened as they read this book.

NOW A NEW YORK TIMES BESTSELLER! A smart and revealing political memoir from a rising star of the Democratic Party. "In life and in politics, the most important work is often that which happens outside the wire." Going "outside the wire" -- military lingo for leaving the safety of a base -- has taught Jason Kander to take risks and make change rather than settling for the easy option. After you've volunteered to put your life on the line with and for your fellow Americans in Afghanistan, cynical politics and empty posturing back home just feel like an insult. Kander understands that showing political courage really just means doing the right thing no matter what. He won a seat in the Missouri Legislature at age twenty-seven and then, at thirty-one, became the first millennial in the country elected to statewide office. An unapologetic progressive from the heartland, he rejected conventional political wisdom and stood up to the NRA in 2016 with a now-famous Senate campaign ad in which he argued for gun reform while assembling a rifle blindfolded. That fearless commitment to service has placed him at the forefront of a new generation of American political leaders. In his final interview as President, Barack Obama pointed to Kander as the future of the Democratic Party. "...do something rather than be something..." In *OUTSIDE THE WIRE*, Jason Kander describes his journey from Midwestern suburban kid to soldier to politician and details what he's learned along the way: lessons imparted by his dad on the baseball diamond, wisdom gained outside the wire in Kabul, and cautionary tales witnessed under the Missouri Capitol dome. Kander faced down petty tyrants in Jefferson City -- no big deal after encountering real ones in Afghanistan. He put in 90,000 miles campaigning for statewide office in 2012 -- no sweat compared to the thirty-seven miles between Bagram Air Base and Camp Eggers. When confronted with a choice between what's easy and what's right, he's never hesitated. *OUTSIDE THE WIRE* is a candid, practical guide for anyone thinking about public service and everyone wishing to make a difference. It's a call to action, an entertaining meditation on the demands and rewards of civic engagement, and, ultimately, a hopeful vision for America's future -- all seen through the eyes of one of its most dedicated servants.

In this revised collection, loving reflections provide wisdom and encouragement to help overcome anxiety, gain self-esteem, and improve relationships. They may be used over and over for women in transition or recovery and those wishing to enhance personal power.
