How long does the
A&P exam take? The
written Airframe and

Online Library

Ap Technician

Powerplant tests are 100 questions each, while the general written exam is 60 questions. Most test centers will allow two hours to complete these tests. The oral and practical exams cover 43 technical subjects, and usually take a full day (or about 8 hours) each to complete¹.

Typically tests for one certificate--airframe or power plant--takes about 8 hours. To apply to take the written test, you must present your proof of experience to an FAA inspector at the local FAA office. There are

Online Library Ap Technician

separate tests for
airframe and power
plant mechanic
certificates, as well as
a general test
covering both.
