The award-winning art quilter shares her free-form technique for capturing the beauty of nature using collage and fusible web in this step-by-step guide. Two-time ArtPrize-winner Ann Loveless is known for creating stunning landscape quilts depicting the beautiful natural landscapes of her Lake Michigan home. In Landscape Art Quilts, Step-by-Step, she reveals the creative and technical processes behind some of her best-known designs. With step-by-step instructions, Ann demonstrates her free-form method of cutting and placing fabrics on fusible web and finishing with free-motion machine quilting. By learning Ann's original techniques, you will be able to create your own art quilts based on your favorite landscape photographs.

Capture the glory of the historic textile designer's work in exquisite appliqué quilts, cushions, and wallhangings, featuring an array of motifs. No artist ever captured the beauty of nature in such exquisite detail as William Morris. Now Michele Hill has transformed his graceful birds, flowers, vines, and woodland creatures into appliqué designs any quilter can master. | Turn William Morris' designs into 6 lovely appliqué projects: quilts, cushions, and wallhangings | Mix and match more than 50 appliqué motifs to create your own William Morris-inspired designs | Make your masterpiece quickly with easy fusible appliqué

Four stunning projects show how to take advantage of light via such quilting techniques as fusible tiling, invisible machine appliqué, free-motion stitching and fabric dyeing and painting. Original.

The Floor's the Limit! Raid your stash! Turn your favorite fabrics and quilt patterns into durable, walkable art. 12 projects with step-by-step instructions and dozens of how-to tips. Make floorcloths, placemats, coasters, luggage tags, trivets, bookmarks, and more. A new place to show off your favorite quilt designs when your house is full of quilts. Easier to make than a conventional quilt or a painted floorcloth, a Floorquilt is the perfect way to turn the fabric you love into a masterpiece you can use. Plus, there's no sewing! Decoupage techniques and supplies are all you need to transform a piece of canvas into a beautiful, durable floorcloth. Ellen guides you every step of the way, from choosing raw fabric to applying a protective finish to the completed Floorquilt. Lots of how-to photographs and inspiring examples.

Planning a wedding can be an exciting, overwhelming, and time consuming endeavor. COUNTDOWN TO YOUR PERFECT WEDDING will give brides the exact amount of information they need to plan the wedding they want. It breaks down pre-wedding tasks into manageable bits of information and serves as a point-by-point checklist so that nothing slips through the cracks and nothing is left undone. Unlike other books, COUNTDOWN is arranged on a 52-week timeline (one year is the average amount of time brides take to plan a wedding) that explains what needs to be done when. Each week will feature an essential aspect of a beautiful wedding and will include tips and insider information on how brides can get what they want, budgeting considerations, definition of terms, as well as feature information for "Brides On A Budget" and "When Money Is No Object. For brides who wish they could hire a wedding planner but can't afford one, this book will hold their hand through the process so they can plan the wedding of their dreams.

Making gorgeous landscape quilts is easy with these step-by-step instructions.
