Bonnie Addario Foundation | LungCAN

The Foundation is one of the only private providers of lung cancer research and community outreach programs. History. The Foundation was founded by Bonnie J. Addario, a lung cancer survivor, on March 6, 2006, the same day Dana Reeve died from lung cancer. This Foundation was formed in response to the fact that lung cancer is under-funded and under-researched based on the amount of research dollars allocated per death.
