Cold Blood is the fifth book in the Erika Foster series but works easily as a stand alone as the author ensures he gives the reader enough information to make sure they don't feel like they are missing out on anything. As always the author had me from the gripping and intriguing start and didn't let me go until the emotional ending.

'OMG what a story ... you seriously need to read this one. I devoured this in one sitting, it is certainly one pulse-racing, nail-biting, gritty read ... I thought my heart was going to explode ... will definitely keep you on the edge of your seat from start to finish.' Chelle's Book Reviews The suitcase was badly rusted, and took Erika several attempts, but it yielded and sagged open as she unzipped it. Nothing could prepare her for what she would find inside... When a battered suitcase containing the dismembered body of a young man washes up on the shore of the river Thames, Detective Erika Foster is shocked. But it's not the first time she's seen such a brutal murder... Two weeks earlier, the body of a young woman was found dumped in an identical suitcase. What connects the two victims? As Erika and her team set to work, they quickly realise they are on the trail of a serial killer who has already made their next move. Yet just as Erika starts to make headway with the investigation, she is the target of a violent attack. Forced to recover at home, and with her personal life falling apart, everything is stacked against her, but nothing will stop Erika. As the body count rises, the case takes an even more twisted turn when the twin daughters of Erika's colleague, Commander Marsh, are suddenly put in terrible jeopardy. The stakes are higher than ever before, but can Erika save the lives of two innocent children before it's too late? She's running out of time and about to make a disturbing discovery...there's more than one killer. Brilliantly gripping, Cold Blood will have you hooked from the first page and holding your breath to the heart-stopping and shocking ending. Read what everyone is saying about Cold Blood: 'Unputdownable ... I couldn't read it fast enough and stayed up way too late ... best thriller I have read in ages and I've read some good ones ... this is as good as it gets, and for me it was brilliant. I loved it.' Goodreads Reviewer, 5 stars 'Robert Bryndza never fails to amaze me, he is such a gifted writer and I love the fact that he is able to maintain such a high standard of writing whilst keeping the series highly original in content. Would I recommend Cold Blood? It's a "thousand" hell yeses and if you haven't read this series yet you really need to.' The Book Review Café 'I absolutely LOVE Robert Bryndza's writing and the Erika Foster series is probably one of the best female detective series I've read.....no wait, not just female, but the best detective series ever! ...Wow, wow, wow!! Erika is back with a bang.' Stardust Book Reviews 'Blindingly excellent ... These books should come with a disclaimer as once you start reading you aren't going to want to walk away. This is a book you are going to want to feast upon and devour as fast as you can.' Jen Med's Book Reviews, 5 stars 'This is a heart racing, hold your breath, drama packed instalment of one of the best crime thriller series available! Robert Bryndza is a genius and raises the bar for the genre!' The Quiet Knitter

Selected by the Modern Library as one of the 100 best nonfiction books of all time From the Modern Library's new set of beautifully repackaged hardcover classics by Truman Capote—also available are *Breakfast at Tiffany's* and *Other Voices, Other Rooms* (in one volume), *Portraits and Observations*, and *The Complete Stories* Truman Capote's masterpiece, *In Cold Blood*, created a sensation when it was first published, serially, in *The New Yorker* in 1965. The intensively researched, atmospheric narrative of the lives of the Clutter family of Holcomb, Kansas, and of the two men, Richard Eugene Hickock and Perry Edward Smith, who brutally killed them on the night of November 15, 1959, is the seminal work of the "new journalism." Perry Smith is one of the great dark characters of American literature, full of contradictory emotions. "I thought he was a very nice gentleman," he says of Herb Clutter. "Soft-spoken. I thought so right up to the moment I cut his throat." Told in chapters that alternate between the Clutter household and the approach of Smith and Hickock in their black Chevrolet, then between the investigation of the case and the killers' flight, Capote's account is so detailed that the reader comes to feel almost like a participant in the events.

She fell in love with a killer, now she's one too. The suitcase was badly rusted, and took Erika several attempts, but it yielded and sagged open as she unzipped it. Nothing could prepare her for what she would find inside ... When a battered suitcase containing the dismembered body of a young man washes up on the shore of the river Thames, Detective Erika Foster is shocked. She's worked on some terrifying cases but never seen anything like this before. As Erika and her team set to work, she makes the link with another victim - the body of a young woman dumped in an identical suitcase two weeks ago. Erika quickly realises she's on the trail of a serial killer who's already made their next move. Yet just as Erika starts to make headway with the investigation, she is the victim of a brutal attack. But nothing will stop Erika. As the body count rises, the twin daughters of her colleague Commander Marsh are abducted, and the stakes are higher than ever before. Can Erika save the lives of two innocent children before it's too late? She's running out of time and about to make a disturbing discovery ... there's more than one killer.

He's your perfect date. You're his next victim. When the tortured body of a young woman is found in a dumpster, her eyes swollen shut and her clothes soaked with blood, Detective Erika Foster is one of the first at the crime scene. The trouble is, this time, it's not her case. While she fights to secure her place on the investigation team, Erika can't help but get involved and quickly finds a link to the unsolved murder of a woman four months earlier. Dumped in a similar location, both women have identical wounds - a fatal incision to their femoral artery. Stalking his victims online, the killer is preying on young pretty women using a fake identity. How will Erika catch a murderer who doesn't seem to exist? Then another girl is abducted while waiting for a date. Erika and her team must get to her before she becomes another dead victim, and, come face to face with a terrifyingly sadistic individual. Gripping, tense and impossible to put down, *Last Breath* will have you on the edge of your seat, racing to the final dramatic page. Read what everyone is saying about *Last Breath*: 'Oh my giddy aunt, Robert Bryndza never fails to surprise me, just when I convinced myself the Detective Erika Foster series couldn't possibly get any better, he delivers another belter of a book...each book has been from the last and how each story offers something unique, which is why Robert Bryndza continues to be one of my very favourite authors on the planet.' The Book Review Café 'It's the sort of book that you want to devour in one sitting, it's too good to put down. The characters crackle with energy and the chemistry between them is fantastic to read... A breathtaking addition to the series that I would thoroughly recommend!' The Quiet Knitter 'Robert Bryndza has leapfrogged up to the top place in my list of favourite crime authors after reading his other books... This book was absolutely fantastic!! The story gripped me from page one and didn't let up until the end...If you're looking for a gritty police procedural crime thriller, then I can highly recommend this book. If you're going to buy this one, don't forget to buy the others too!! Five stars (although if I could give it more I would!).' Star Dust Book Reviews 'I will always applaud for more Erika Foster #QueenDetective. I love her so much, she is one of my best fictional characters.' The Book Heathen 'One of my most anticipated reads of 2017...*Last Breath* is a gripping, nail biting ride of a read. I seriously cannot get enough of the author's books and now that I have finished this one I have the long agonising wait for the next one. Brilliant series, brilliant book by a brilliant author, what else can I say!' By the Letter Book Reviews

Her eyes are wide open. Her lips parted as if to speak. Her dead body frozen in the ice . . . She is not the only one. When a young boy discovers the body of a woman beneath a thick sheet of ice in a South London park, Detective Erika Foster is called in to lead the murder investigation. The victim, a beautiful

young socialite, appeared to have the perfect life. Yet when Erika begins to dig deeper, she starts to connect the dots between the murder and the killings of three prostitutes, all found strangled, hands bound and dumped in water around London. What dark secrets is the girl in the ice hiding? As Erika inches closer to uncovering the truth, the killer is closing in on Erika. The last investigation Erika led went badly wrong... resulting in the death of her husband. With her career hanging by a thread, Erika must now battle her own personal demons as well as a killer more deadly than any she's faced before. But will she get to him before he strikes again? A page-turning thriller packed with suspense. If you like Angela Marsons, Rachel Abbott and Karin Slaughter, discover Rob Bryndza's new series today - at a special launch price. Read what people are saying about The Girl in the Ice: 'I freakin' LOVED it! . . . Once in a while a book stops you in your tracks . . . this is THAT book!' Crime Book Junkie 'I loved, loved, loved this book and Erika Foster is most definitely my kind of heroine. She is smart, tenacious, direct and passionate...I found the writing tight, evocative and enthralling. I CAN NOT wait for the next installment.' Angela Marsons 'A non-stop, edge-of-your-seat, rollercoaster of a thriller!The ending, oh the ending! My mind is still blown! This book does not disappoint!' The Book Addicted Boy 'Oh my gosh!...gripping, grimy, hardcore, thrilling...I was hooked!!!!...I loved this book...You Have GOT To Read This!' A Page of Fictional Love 'An intriguing web of lies, secrets and suspense. I really enjoyed getting to know DCI Foster and am already looking forward to the next book.' Mel Sherratt 'A compelling read - once you've started, it's hard to put down.' Rachel Abbott 'Hands-down, one of the most exciting, dramatic, tense and compelling thrillers that I think I have ever read.' Bookaholic Confessions 'Absolute perfection!...Boy are there some sharp turns! There were a few moments when I felt like I had it all figured out and I was so wrong! Fantastic book!...' The Eternal Optimist 'The Girl In The Ice is a brilliantly clever crime thriller...Had me hurtling at full speed, until WHAM!!!! with an ending that just totally blew me away! An absolute must read for all you crime fanatics out there.' By The Letter Book Reviews 'Engaging, thought provoking, full of suspense this is one murder mystery you won't want to miss.' Erisea Magazine 'With a great plot that really digs into the depths of human nature and some fascinating characters that really were excessive shades of light and dark...The book keeps you guessing and on edge, you will think you have it ALL worked out, but the twisty reveal was very impressive, loved it.' Book Lover Cat Lady 'I found myself racing through the chapters...it has plenty of twists and turns, with enough red herrings to keep the reader captivated to the very last page, it's addictive, compulsive and much more.' The Book Review Café

USA Today and Wall Street Journal bestselling author Robert Bryndza is back again with the third book in the thrilling, crime series, starring Erika Foster, which has sold over 2 millions copies worldwide. When Detective Erika Foster receives a tip off that key evidence for a major narcotics case was stashed in a disused quarry on the outskirts of London, she orders for it to be searched. From the thick sludge the drugs are recovered, but so is the skeleton of a young child. The remains are quickly identified as seven-year-old Jessica Collins. The missing girl who made headline news when she vanished twenty-six years ago. As Erika tries to piece together new evidence with the old, she discovers a family harbouring secrets, a detective plagued by her failure to find Jessica, and the mysterious death of a man living by the quarry. Is the suspect someone close to home? Someone doesn't want this case solved. And they'll do anything to stop Erika from finding the truth.

☐One of the boldest, most inventive serial-killer thrillers since *The Silence of the Lambs*. . . . Perfect for fans of Jeffery Deaver and Lisa Gardner.☐ A. J. Finn, #1 New York Times bestselling author A propulsive debut suspense novel, filled with secrets, nerve-jangling tension, perplexing mystery, and cold-blooded murder, in which a police officer on the hunt for a macabre serial killer is brutally attacked, and only his partner knows the truth about what happened—and who did it. After months of hunting a ruthless murderer dubbed the Thorn Killer, Detective Greg Carver is shot in his own home. His trusted partner, Ruth Lake, is alone with him. Yet instead of calling for help, she rearranges the crime scene and wipes the room clean of prints. But Carver isn't dead. Awakening in the hospital, Carver has no memory of being shot, but is certain that his assailant is the Thorn Killer. Though there's no evidence to support his claim, Carver insists the attack is an attempt to scare the detective off the psychopath's scent. Trapped in a hospital bed, Carver's obsession grows. He's desperate to get back to work and finally nail the bastard, before more innocent blood is spilled. One person knows the truth and she's not talking. She's also now leading the Thorn Killer investigation while Carver recuperates. It doesn't matter that more victims' lives are at stake. Ruth is keeping a deadly secret, and she'll cross every line to keep it from surfacing.

From the author of *Clean Cut* comes a suspenseful sequel to the Paris Murphy series. Justice Trip is a hero. While helping volunteers search for a missing bridesmaid, he found a grisly clue: her finger. Now he's enjoying his 15 minutes of fame. When homicide detective Paris Murphy sees the tall, awkward Trip on television, she senses that he's not the concerned citizen he's pretending to be. And when she remembers that she and Trip share a past, the danger becomes all too clear. Trip is a man on a search for justice. And killing Paris will help him find it.

**SLEEP MY DARLINGS** Diane Fanning On January 28, 2011, the Tampa Police Department received a phone call from a woman who was worried about her daughter, Julie Schenecker. A devoted Army wife and mother of two, Julie had sent her mother an email that could be described as "suicidal." When authorities arrived at the Schenecker home, they encountered a horrific scene... Sixteen-year-old Calyx and thirteen-year-old Beau Schenecker were found dead—both of them shot, then covered with blankets. Upon questioning, Julie admitted that she was "tired of the kids talking back" and just "wanted it to be over." Had her manic depression driven her to the point of insanity? Or was hers a case of cold, calculated violence and manipulation? This is the shocking true story of motherhood, mental illness, and two charges of murder in the first degree.

An intimate -- and frightening -- glimpse inside the mind of America's most prolific serial killer, Charles Cullen, whose 16-year long "nursing" career left as many as 400 dead. After his December 2003 arrest, registered nurse Charlie Cullen was quickly dubbed "The Angel of Death" by the media. But Cullen was no mercy killer, nor was he a simple monster. He was a favorite son, husband, beloved father, best friend, and celebrated caregiver. Implicated in the deaths of as many as 300 patients, he was also perhaps the most prolific serial killer in American history. Cullen's murderous career in the world's most trusted profession spanned sixteen years and nine hospitals across New Jersey and Pennsylvania. When, in March of 2006, Charles Cullen was marched from his final sentencing in an Allentown, Pennsylvania, courthouse into a waiting police van, it seemed certain that the chilling secrets of his life, career, and capture would disappear with him. Now, in a riveting piece of investigative journalism nearly ten years in the making, journalist Charles Graeber presents the whole story for the first time. Based on hundreds of pages of previously unseen police records, interviews, wire-tap recordings and videotapes, as well as exclusive jailhouse conversations with Cullen himself and the confidential informant who helped bring him down, *The Good Nurse* weaves an urgent, terrifying tale of murder, friendship, and betrayal. Graeber's portrait of Cullen depicts a surprisingly intelligent and complicated young man whose promising career was overwhelmed by his compulsion to kill, and whose shy demeanor masked a twisted interior life hidden even to his family and friends. Were it not for the hardboiled, unrelenting work of two former Newark homicide detectives racing to put together the pieces of Cullen's professional past, and a fellow nurse willing to put everything at risk, including her job and the safety of her children, there's no telling how many more lives could have been lost. In the tradition of *In Cold Blood*, *The Good Nurse* does more than chronicle Cullen's deadly career and the breathless efforts to stop him; it paints an incredibly vivid portrait of madness and offers a penetrating look inside America's medical system. Harrowing and irresistibly paced, this book will make you look at medicine, hospitals, and the people who work in them, in an entirely different way.
