of the Frankfurt School.

Critical theorists maintain that a primary goal of philosophy is to understand and to help overcome the social structures through which people are dominated and oppressed.

critical theory |

Definition & Facts |

Britannica

Read PDF

Concepts A

A critical approach means that we do not take things at face value and question the current way things are done.

Contemporary social movements such as environmentalism, feminism and consumer issues often take a critical approach because they question the current belief systems and practices in

Critical Social

Critical approach -
UKEssays.com

Critical theory is a
social theory oriented
toward critiquing and
changing society as a
whole. It differs from
traditional theory, which
focuses only on

Read PDF Concepts A

understanding or
explaining society.

Critical theories aim to dig beneath the surface of social life and uncover the assumptions that keep human beings from a full and true understanding of how the world works.
