The Hot Rod Deville IV features the classic Fender look of sparkling silver grille cloth, lightly aged to give it even more mojo. Lightweight Pine Cabinet Lightweight, yet strong, pine was used to craft Fender amps in the 1950s and '60s, making for more resonant and more “musical” speaker cabinets.

Serial Number Dating Hot Rod Deville | My Guitar Buddies

The Fender Hot Rod DeVille is a combo tube guitar amplifier manufactured and sold by Fender. It was introduced in 1996 as part of Fender's Hot Rod line of amplifiers, and since then has been in continuous production.

Fender Hot Rod DeVille - Wikipedia

I chose it over the Hot Rod Deluxe for the added clean headroom and the punchiness of an extra 12 inch speaker. The cleans are very fender like, but less aggressive and more modern sounding compared to blackface amps. There's also more midrange on tap should you want, which is a nice feature sticking out in the mix. The amp is heavy, but lighter than the previous iterations. I think this is ...

Fender Amps is the first book to chronicle this company's amazing contribution to the amplifier, providing a complete overview of its history and operation. From the K & F amp of 1945 to the Custom Amp Shop line of today, you'll understand why musicians continue to collect, rely and relish the sound of a Fender amplifier.

A WWI widow investigates murder—and her late husband ' s secrets—in “ this engrossing series launch ” by the Daphne Award-winning author (Publishers Weekly). England, 1919. Verity Kent ' s grief over the loss of her husband pierces anew when she receives a cryptic letter suggesting her beloved Sidney may have committed treason before his untimely death. Determined to dull her pain with revelry, Verity ' s first impulse is to dismiss the claim. But the mystery sender knows too much—including the fact that during the war, Verity worked for the Secret Service, something not even Sidney knew. Lured to Umbersea Island to attend the engagement party of one of Sidney ' s fellow officers, Verity discovers dark secrets among the veterans—along with a murder meant to conceal them. Relying on little more than a coded letter, a dashing stranger, and her own sharp instincts, Verity pursues a deadly trail that leads her to a shocking truth. . . “ My favorite new mystery series! ” – Alyssa Maxwell, USA Today bestselling author “ Sure to please fans of classic whodunits and lovers of historical fiction alike. ” – Jessie Crockett, author of *Whispers Beyond the Veil*

The beautiful daughter of an Italian immigrant family in 1950 Greenwich Village, Lucia Sartori pursues her dream of a career in the fashion industry, until she falls in love with a handsome stranger, who must win over her traditional family to gain her hand in marriage, but old secrets and scandal could change their lives forever. Reader's Guide included. Reprint.

This guidebook shows owners and dreamers the basics of getting the best sound possible out of their Fender amp with simple and advanced modifications. These include essential and fundamental tips like selecting tubes, capacitors, pots, and other electronic equipment, as well as biasing and setting up your amp. It also covers great hot-rodding enhancements to give you the tone of the pros at your fingertips, such as making one channel into an overdrive channel, modifying tone controls, making one channel either a Marshall or Vox channel (changing preamp and tone arrangement not a permanent, destructive mod), building splitter boxes to run two amps simultaneously, creating splitter speaker setups within one amp, building the perfect gig amp (something light and portable, but with big sound, like an early Mesa Boogie), and more.

(Guitar Educational). Teach Yourself to Play Guitar has been created specifically for

the student with no music-reading background. With lesson examples presented in today's most popular tab format, which also incorporates simple beat notation for accurate rhythm execution, Teach Yourself to Play Guitar offers the beginning guitarist not only a comprehensive introduction to essential guitar-playing fundamentals, but a quick, effective, uncomplicated and practical alternative to the multitude of traditional self-instructional method books. It also: covers power chords, barre chords, open position scales and chords (major and minor), and single-note patterns and fills; includes lesson examples and song excerpts in a variety of musical styles rock, folk, classical, country and more; familiarizes the student with fretboard organization, chord patterns, hand and finger positions, and guitar anatomy by way of easy-to-interpret diagrams, photos and illustrations; provides complete, concise explanations while keeping text to a minimum; and prepares the student for the option of further guitar instruction.

Ludelphia Bennett may be blind in one eye, but that doesn't mean she can't put in a good stitch. In fact, Ludelphia sews all the time, especially when things are going wrong. But when Mama gets deathly ill, it doesn't seem like even quilting will help. Mama needs medicine badly—medicine that can only be found in Camden, over forty miles away. That's when Ludelphia decides to do something drastic—leave Gee's Bend. Beyond the cotton fields of her small sharecropping community, Ludelphia discovers a world she never imagined, but there's also danger lurking for a young girl on her own. Set in 1932 and inspired by the rich quilting traditions of Gee's Bend,

Alabama, Leaving Gee's Bend is a delightful story of a young girl facing a brave new world, presented in a new paperback edition.

NATIONAL BESTSELLER • “ Steven Pressfield brings the battle of Thermopylae to brilliant life. ” —Pat Conroy At Thermopylae, a rocky mountain pass in northern Greece, the feared and admired Spartan soldiers stood three hundred strong. Theirs was a suicide mission, to hold the pass against the invading millions of the mighty Persian army. Day after bloody day they withstood the terrible onslaught, buying time for the Greeks to rally their forces. Born into a cult of spiritual courage, physical endurance, and unmatched battle skill, the Spartans would be remembered for the greatest military stand in history—one that would not end until the rocks were awash with blood, leaving only one gravely injured Spartan squire to tell the tale. . . .
