Hawken conceives of this "movement" as developing not by  
ideology but rather through the identification of what is and  
is not humane, and has compared it to humanity's collective  
immune system. Growing a Business became the basis of a  
17-part PBS series, which Hawken hosted and produced. The  
program, which explored the challenges and pitfalls of  
starting and operating socially responsible companies,  
appeared on television in 115 countries and reached more  
than 100 million people.
