This exhibition features prints of the famous cut-outs Matisse produced in the last four years of his life when he was confined to his bed. The French painter, sculptor and designer, Henri Matisse (1869-1954) was one of the 20th century's most influential artists. He continued creating highly original works well into his eighties, and the cut-outs of his last years include many of his iconic images, such as *The Snail* and ...
