Andrea Perron presenting more history and tales about House of Darkness House of Light

Roger and Carolyn Perron purchased the home of their dreams and eventual nightmares in December of 1970. The Arnold Estate, located just beyond the village of Harrisville, Rhode Island seemed the idyllic setting in which to raise a family. The couple unwittingly moved their five young daughters into the ancient and mysterious farmhouse. Secrets were kept and then revealed within a space shared by mortal and immortal alike. Time suddenly became irrelevant; fractured by spirits making their presence known then dispersing into the ether. The house is a portal to the past and a passage to the future. This is a sacred story of spiritual enlightenment, told some thirty years hence. The family is now somewhat less reticent to divulge a closely-guarded experience. Their odyssey is chronicled by the eldest sibling and is an unabridged account of a supernatural excursion. Ed and Lorraine Warren investigated this haunting in a futile attempt to intervene on their behalf. They consider the Perron family saga to be one of the most compelling and significant of a famously ghost-storied career as paranormal researchers. During a seance gone horribly wrong, they unleashed an unholy hostess; the spirit called Bathsheba; a God-forsaken soul. Perceiving herself to be the mistress of the house, she did not appreciate the competition. Carolyn had long been under siege; overt threats issued in the form of fire... a mother's greatest fear. It transformed the woman in unimaginable ways. After nearly a decade the family left a once beloved home behind though it will never leave them, as each remains haunted by a memory. This tale is an inspiring testament to the resilience of the human spirit on a pathway of discovery: an eternal journey for the living and the dead.

A family relocates to a small house on Ash Tree Lane and discovers that the inside of their new home seems to be without boundaries

A European trading concern hires Marlow to pilot a boat up the Congo River in search of Kurtz—a first-class ivory agent and the manager of the company ' s highly profitable Inner Station—who is believed to be on his deathbed. With a handful of pilgrims as his passengers and a crew of cannibals, Marlow steams his way into the African interior. The terrifying discovery he makes at the end of his journey and the horrors he witnesses along the way have thrilled and disturbed readers for more than a century. A searing indictment of imperialism and a haunting expos é of mankind ' s savage nature, Heart of Darkness is Joseph Conrad ' s masterpiece. This ebook has been professionally proofread to ensure accuracy and readability on all devices. Heart of Darkness is a classic of world literature. The book tells a story about a voyage up the Congo River into the Congo Free State, in the heart of Africa. Marlow, the story's narrator, tells his story to friends aboard a boat anchored on the River Thames, London, England. This setting provides the frame for Marlow's story of his obsession with the ivory trader Kurtz, which enables Conrad to create a parallel between London and Africa as places of darkness. Central to Conrad's work is the idea that there is little difference between so-called civilized people and those described as savages; Heart of Darkness raises important questions about imperialism and racism. Joseph Conrad acknowledged that Heart of Darkness was in part based on his own experiences during his travels in Africa. In 1890, at the age of 32, he was appointed by a Belgian trading company to serve as the captain of a steamer on the Congo River. Joseph Conrad (1857-1924), was a Polish author who wrote in English after settling in England. Conrad is regarded as one of the greatest novelists in English, though he did not speak the language fluently until he was in his twenties. He wrote stories and novels, often with a nautical setting, that depict trials of the human spirit in the midst of an indifferent universe. He was a master prose stylist who brought a distinctly non-English tragic sensibility into English literature.
