Nope. He is not a part of my 'network' – because I don't believe in that approach. So if you want to meet people and network – that's absolutely fine – but do it authentically and genuinely. 4)

Dismissing your existing network: We all have a network ready and waiting for us before we even start going out to 'network' and grow it.

5 Good Ways NOT to Network - Undercover Recruiter

In **How Not to Network a Nation**, Benjamin Peters reverses the usual cold war dualities and argues that the American ARPANET took shape thanks to well-managed state subsidies and collaborative research environments and the Soviet network projects stumbled because of unregulated competition among self-interested institutions, bureaucrats, and others. The capitalists behaved like socialists
