Improving Access To Care Researchgate
access to affordable health care. Barriers to health care access hurt immigrants, their families, and the city. New York City has a moral duty to ensure that all its residents have meaningful access to needed health care, regardless of their immigration status or ability to pay. Without regular access to affordable care, many immigrants

coverage is a "ticket" for entering the health care system, but by itself does not ensure access to timely and appropriate care.

State and Federal Efforts to Enhance Access to Basic ...

For New York City's immigrants, a lack of access to medical interpreters is a key barrier to health care access. The effects of insufficient language accessibility in health care include: worse access to care, worse care, and worse health outcomes for Limited English Proficient (LEP) patients as compared to non-LEP patients. 6.
