design, origami patch, and applique, and highlights the life and work of Koos van den Akker.

Koos Couture Collage: Inspiration & Techniques

I wish that there had been more photos of Koos work! The author gives very good instruction for doing applique, making bindings etc. However, in all, the book is disappointing if one is looking for inspiration and examples of the magical fabric combinations that made Koos's trademark. Far too few examples of Koos's couture collage.

Features techniques related to couture fashion, including fabric selection, collage design, origami patch, and appliquê, and highlights the life and work of Koos van den Akker.

"Steele, director of the Fashion Institute of Technology Museum, has crafted, with the help of 325 contributors, an authoritative introduction to fashion, the industry, and the issues that hve defined the field. Some 640 articles describe the colorful facets of couture and textiles, from fabrics of chintz, corduroy, and feathers to such garb as aprons, bikinis, and prison dress. There are color plates and nearly 600 black-and-white illustrations. Back matter includes a comprehensive index, a timeline, and a topical outline."--"Reference that rocks," American Libraries, May 2005.

A fascinating look at the real Gabrielle “Coco” Chanel, the designer who forever

revolutionized the way women look. She was a free spirit, brilliant business woman, and beauty who never found reciprocated love. Madsen, with authority, delves into this fashion doyenne ' s business and private lives to reveal one woman ' s extraordinary progress: from orphan to millinery shopkeeper, from lodestar of feminine style to a very rich woman with a closet full of dark secrets.

Covers fit, pressing, details, darts, bias binding, piping, gathers, circular ruffles, sleeves, shoulder pads, topstitching, pockets, and buttonholes

You Can Say That Again is Bruce Rogers ' light-hearted look at the the English language. It examines the origins, history, and peculiarities of the language, and provides instruction on how to speak effectively. It sets the record straight on how to pronounce some of the most troublesome words and names. It examines the standards of the electronic media and finds them wanting. And it offers tips on preparation and presentation for platform speakers and broadcasters. You Can Say That Again has a language quiz in every chapter, along with lists of origins, political and business terms, sports and science bloopers, puns, limericks, and euphemisms. There ' s a pronunciation guide for major languages. And there is help for those who want to join the battle against jargon, slang, and cliches. Vocal confidence is essential for personal success. You Can Say That Again can help you sound better when you open your mouth to speak.
