a new language can be especially challenging when the language uses a non-Roman script. Read and Speak Korean for Beginners, 3rd Edition overcomes this obstacle by providing an accessible, entertaining program to reinforce vocabulary and help you create basic structures. Each of the book's eight topics was designed to help you develop your communication skills in key areas of daily life, such as introducing yourself, asking for directions, talking about your family and your country, and describing people, places, and objects. This updated edition is supported by flashcards for vocabulary in each topic, and two end-of-topic quizzes. The accompanying audio via the McGraw-Hill Language Lab app features all the key words and phrases so you can hear how they are pronounced and then have a chance to repeat them. Fun tests and puzzles reinforce your progress. Additional listening activities and games are also featured for additional language reinforcement. Read and Speak Korean, 3rd Edition features:

- An accessible, proven approach to help you communicate in Korean
- A two-color layout and photographs illustrating key vocabulary
- Games, puzzles, flashcards, and audio lessons to help you build languages skills
- Clear explanations of how basic phrases are used for practical communication
- Streaming audio for valuable speaking and listening practice
- Detachable flashcards for language reinforcement, and more

This book is a complete guide for people who want to learn the Korean language, starting from the very beginning, and learn the alphabet and the correct sounds of vowels, consonants, and diphthongs. It was written for people who want an easy but systematic approach to the language. The writer is a non-native speaker who started learning the language from ZERO, just like you and spent years in Korea trying to reach a better level of proficiency in Korean. After a few weeks of study, you will study to recognize words, make sentences, and have simple (but miraculous) conversations with other Korean speakers!

"I Can Speak Korean" Book One is a crash course for students beginning the study of the Korean language. With the book you can master the beginner's level even though you are an absolute beginner. Also, you can learn grammar in a simple and easy way while making sentences.
