Most couples enter a committed relationship expecting it to last forever, but the sad reality is that nearly half of all marriages end in divorce and many cohabiting couples are destined to split up. There's no magic about having a solid, long-lasting relationship. Love is important, but it also takes a lot of work. Let's Stay Together, by acclaimed agony aunt Jane Butterworth, looks at how to sort out problems when the going gets rough - as it will at some time for all couples.

From the bestselling author of BREXIT comes a personal and passionate plea for voting 'Remain' on 23rd June. Denis MacShane, former Minister for Europe, is alarmed that the referendum debate so far has been too polite, too restrained. Now is the time for the gloves to come off, he insists. The result is a small book with a hugely important message.

High school throws everyone together. The cliques can get very exclusive, and people will seldom cross the lines, but when they do... everyone is watching! Will Leo the metalhead and shy girl Ayami ever realize that they were made for each other?

Are you a new parent, or about to become one? Learn three simple habits that will keep love alive and protect your relationship against the pressures that parenting brings. In the excitement and exhaustion of becoming parents, the first thing that can get overlooked is your relationship. You might spend less time together, argue over little things, drift apart... In the UK, one in five children see their parents separate before the end of their first year at school. One in two children experience family breakdown before they finish school. But it doesn't have to be like this. Most family breakdown is avoidable. In Let's Stick Together, relationship educator and father of six Harry Benson guides you through three simple habits that research shows make or break new mums and dads. Illustrated with real-life examples from Harry's own back-from-the-brink marriage and those of other couples, Let's Stick Together highlights simple principles that will make your relationship the best it can be and ensure you don't become just another statistic.
