Welcome to Corporate Life. The NEW Employee Manual is not your Dad ' s or Mom ' s employee manual. It ' s the new playbook for corporate survival, fitting through ' s realities and the challenges facing employees who join or work in large, seemingly successful companies. Those companies already issued very specific and detailed employee manuals covering everything under the sun except how to compete well in our brave new world. The NEW Employee Manual will help you navigate the Corporate (with a capital C) labyrinth.
