Mark Donohue His Life In Photographs - bitofnews.com

But, he lost his life before the Austrian Grand Prix. Driving a March 751 during free practice, Donohue lost control of his car after a tire failed, sending him careening into the catch fencing at the fastest corner on the track. Race steward was killed in that accident, but it looked like the American racer wasn't injured significantly.

Mark Donohue profile on SnapLap

Donohue won in every type of race car he climbed into except for one -- the Formula 1 March 751 that ultimately cost him his life. It's been 43 years since Donohue's death, but he remains Penske...

In search of Team Penske racing legend Mark Donohue

While you may have some valid points about "stinking rich" drivers - they should not be part of a Mark Donohue discussion. Below is a picture I just located yesterday that I took of Mark immediately after his 7th place rookie finish of 1969 in Indy. Until late magneto trouble, he was placed 3rd or 4th.
