Clinical Perspectives on
Psychotherapy

Supervision is the first
book to examine the
role of the
supervisor--one of the
most important teaching
tools in
psychotherapy--from
multiple perspectives.

Read Book Narcissistic

Written by experts from virtually every major aspect of supervision, this book gives a clear picture of the many challenges involved in supervising, and how these challenges are best met. Richly illustrated with clinical vignettes, *Clinical Perspectives on Psychotherapy Supervision* explores theories of supervision,
