- 1x1px.me

The National Benchmark Tests (NBT) are a set of tests that measure an applicant's academic readiness for university. They complement and support, rather than replace or duplicate the National Senior Certificate results. A number of universities in South Africa use the NBTs to help interpret the National Senior Certificate (NSC) results.

assessing academic readiness of first year university learners as a supplement to Secondary School reports on learning achieved in content specific courses.

Purple Pepper Maths | National Benchmark Tests (NBT)

What to expect. The National Benchmark Tests (NBT) measure your academic readiness for University. Some South African universities use the NBTs in addition to the National Senior Certificate (NSC) for access to higher education, while others use the tests to determine the kind of learning support a student will need during their studies. Two days before the test for which you have registered, you will receive an sms and an email confirming your test venue.
