Actually, the book I read is the 2014 edition which has a different title: "Not God's Type: An Atheist Academic Lays Down Her Arms." I believe that title is likely to be more accurate in describing her former stance, than the term "Rational Academic". I was disappointed that Goodreads had only the one choice to select.

There are about as many ways to disbelieve as there are ways to believe — different degrees, different emphases, and different expressions. It covers anyone who doesn ' t believe in a supernatural god or gods. But under that umbrella are many shades and grades of disbelief and many people with different ways of approaching and expressing it. Atheists become atheists for many different reasons, and it rarely has anything to do with unanswered prayers or major life calamities.

Less broadly, atheism is a rejection of the belief that any deities exist. In an even narrower sense, atheism is specifically the position that there are no deities. Atheism is contrasted with theism, which in its most general form is the belief that at least one deity exists.

[Atheism - Wikipedia](#)
2 The literal definition of "atheist" is "a person who does not believe in the existence of a god or any gods," according to Merriam-Webster. And the vast majority of U.S. atheists fit this description: 81% say they do not believe in God or a higher power or in a spiritual force of any kind. (Overall, 10% of American adults share this view.)
