One Nation Under Therapy: How the Helping Culture Is ...

One Nation Under Therapy is organized around specific practices that have been promoted by the mental-health establishment and are now widely institutionalized. In many schools, for instance, certain games, including dodge ball and tag, have been eliminated, on the grounds that they inflict an esteem-killing competitiveness and sense of exclusion on the "fragile child" —a helpless creature of the therapists' imagination who wilts at the slightest breath of criticism, judgment, or failure.
