Real Advice from a Real Investor If you are dreaming of getting started in the investing world to supplement your income or even kick your 9-to-5 job to the curb completely, then Options Trading: The Ultimate Beginner's Guide might be the answer you have been looking for.This book will help you learn everything you need to know in order to start making successful moves in the options market, even if you aren't quite sure what an option is at this moment. Simply put, options are like stocks or bonds in that they are a variety of security which, when purchased, give you the option of purchasing or selling a stock or another related asset at a specific price. While it might seem complicated now, the reality is that it is mostly about doing research and executing on a specific plan once certain numbers are met. While once only the domain of Wall Street, online options trading makes the process easier than ever. So, what are you waiting for? Stop dreaming and start acting. Inside You Will Find A complete breakdown on all option types Detailed explanations on exactly how options work An easy to follow step-by-step guide to walk you through your first options trade The best strategies for a beginner to achieve success The lingo of a professional options trader The easiest way to guarantee long term trading success Common mistakes beginners make and how to avoid them Much, much more! This is the definitive guide to get you started on trading options!

Get Started Learning How to Trade Options! If you're reading this right now, you're considering learning about options. What are options? Are they better than stocks? Are they hard to use? In this book, author Tim Morris takes your hand and becomes your mentor, teaching you everything you need to know to get started with options. In part one, Tim goes over what exactly options are, and the reasons behind trading them versus trading stocks. This includes calls and puts, strike prices, expiration dates, volatility, and option Greeks. Then in part two, you'll learn basic option strategies, as well as one advanced strategy that you can start using right now. Tim even offers practical advice throughout the book on real world occurrences that the fundamental option textbooks don't mention. Tim provides charts, examples, and equations throughout the book, making a somewhat complicated subject simple and easy to understand. If you know nothing about options right now, when you're done reading this book, you'll have all the knowledge necessary to feel confident trading options. As a FREE bonus, only for book buyers, you'll receive Tim's special report titled Crush the Market! This special report is packed with 12 incredibly beneficial tips to help you make money in the stock market! This report is not available to the general public, or anywhere else. It exists solely as a "thank you" to buyers of this book. Options can provide a number of benefits over traditional stocks, and after reading this book, you'll know exactly how to use them. Click the Buy Now button at the top of the page to get started learning how to trade options NOW!

Options Trading - Beginners Guide Financial independence is something we've all dreamed of at some point in our lives. Nevertheless, it's something most of us deem near to impossible. The sixth book in the Wrightbooks Made Simple series, Options Made Simple is an uncomplicated guide to trading options for beginners. This book outlines some simple, easy to understand strategies anyone can use to start trading options. The book will be a succinct paperback with lower price point, and provide the perfect first step into trading options. An option is a binding contract that gives the buyer the right, but not the obligation, to buy or sell an underlying asset at a specific price on or before a certain date ?C it has strictly defined terms and properties. Options are very versatile and allow you to change your position according to the situation ?C they can be speculative or conservative depending on your trading strategy, but the risk can be mitigated by having a firm basic understanding. The Made Simple series is the perfect vehicle for this content as readers are taken step@by@step through everything they need to know about trading options ?C including what can go wrong! ?C and can work out which strategies they are most comfortable with.

Make a steady part-time income from trading options month after month! If you are a beginner to the world of options trading, this is the only book you will need to learn the basics of the game and to start earning a handsome income consistently every month. The vast majority of retail traders in the stock market keep away from trading options believing that options are too complex and too risky to indulge in. Most of the few that venture out into this terrain with half-baked knowledge usually end up with substantial losses over the long term because they simply do not know the safe strategies that one needs to deploy in this space. If you are somebody who has shied away from options trading in the past thinking it is beyond comprehension or because you always ended losing money while trading options, then this is the right book for you. As a beginner's guide into the world of options trading, here's what this book contains: What Stock Options are in simple terms! The various types of options and the common terms used in options trading. The underlying principles of options trading using easily-understandable scenarios. Basic mistakes made by beginners and how to avoid them. Six great strategies, with real case studies, to that teach you how to consistently make profits while controlling your risk. Note: As an added bonus, this book also gives you access to downloadable worksheets you can use to calculate the potential returns and risk exposure for any strategic trade you want to get into or to even just carry out paper-trades! This book adopts an unsophisticated approach to teach options trading to just about anybody. Therefore, if you are looking for a place to start learning about options trading and how to earn off it, look no further!

Do you find yourself stuck in a regular 9 to 5 working hour job and longing for a taste of freedom from that tedious work routine, and wish to make more time for yourself?
