When Gore Vidal's recent New York Times bestseller Perpetual War for Perpetual Peace was published, the Los Angeles Times described Vidal as the last defender of the American republic. In *Dreaming War*, Vidal continues this defense by confronting the Cheney-Bush junta head on in a series of devastating essays that demolish the lies American Empire lives by, unveiling a counter-history that traces the origins of America's current imperial ambitions to the experience of World War Two and the post-war Truman doctrine. And now, with the Cheney-Bush leading us into permanent war, Vidal asks whose interests are served by this doctrine of pre-emptive war? Was Afghanistan turned to rubble to avenge the 3,000 slaughtered on September 11? Or was "the unlovely Osama chosen on aesthetic grounds to be the frightening logo for our long contemplated invasion and conquest of Afghanistan?" After all he was abruptly replaced with Saddam Hussein once the Taliban were overthrown. And while "evidence" is now being invented to connect Saddam with 9/11, the current administration are not helped by "stories in the U.S. press about the vast oil wealth of Iraq which must- for the sake of the free world- be reassigned to U.S. consortiums."

The United States has been engaged in what the great historian Charles A. Beard called "perpetual war for perpetual peace." The Federation of American Scientists has cataloged nearly 200 military incursions since 1945 in which the United States has been the aggressor. In a series of penetrating and alarming essays, whose centerpiece is a commentary on the events of September 11, 2001 (deemed too controversial to publish in this country until now) Gore Vidal challenges the comforting consensus following September 11th and goes back and draws connections to Timothy McVeigh's bombing of the federal building in Oklahoma City. He asks were these simply the acts of "evil-doers?" "Gore Vidal is the master essayist of our age." — Washington Post "Our greatest living man of letters."—Boston Globe "Vidal's imagination of American politics is so powerful as to compel awe."—Harold Bloom, The New York

### Review of Books

What does it take to get elected president of the United States—"leader of the free world"? This book gives readers insight into the major issues and events surrounding American presidential elections across more than two centuries, from the earliest years of the Republic through the campaigns of the 21st century. • Introduces readers to the how and why of every American presidential election in history through plain-English analyses written by national scholars of American politics • Presents a chronological account of presidential campaigns that showcases the key personalities, issues, and campaign themes as they emerged in American political history • Examines recent presidential elections of the 21st century in detail • Decodes confusing campaign jargon and political insider terminology, especially for the ever-changing campaigns of the 21st century

The Daily Devotional Bible for Women: NKJV Edition is designed to connect God's Word with the deepest needs of your heart. One of the challenges of Bible reading is knowing where to start. Crafted by a culturally diverse team of women for women, the devotionals for women and other resources offer insights from multiple perspectives spanning various ages, backgrounds and experience. As a result, these NKJV Bibles for women provide a systematic plan for applying God's wisdom and guidance for all stages of your life during daily Bible devotionals, daily Bible readings and in group settings. Features Included in this women's devotional bible: Presentation Section featuring "Family Tree," "Family Milestones," "The Ketubah," and "My Spiritual Mothers" sections Introduction Articles on "A Pattern of Personal Quiet Time" and "The Christian Life" Full text of the New King James Version with preface Two-color interior with black-letter text A brief introduction to each book of the Bible that provides context for the readings within that book 365 devotions One extended passage for each day together with a focal verse A devotion based on the extended passage designed to emphasize some of the key truths and applications of that passage in daily life Space in the margin to indicate the date(s) you read that passage and to note insights this passage has NKJV concordance Daily Bible reading plan Smyth-sewn binding Full-color maps section Additional suggested resources The Daily Devotional Bible for Women: NKJV Edition features the beloved New King James Version (NKJV) translation. The NKJV is modern and easy-to-understand, a translation that captures the beauty and majesty of God's Word in contemporary English yet retaining the purity and stylistic beauty of the original King James Version of the Holy Bible. Whether you're looking for a modern Christian Bible, a women's study Bible or a Bible to assist you during your daily devotions, NKJV Bibles help you deepen your relationship with God.

Timothy (later St. Timothy) is in his study in Thessalonika, where he is bishop of Macedonia. It is A.D. 96, and Timothy is under terrific pressure to record his version of the Sacred Story, since, far in the future, a cyberpunk (the Hacker) has been systematically destroying the tapes that describe the Good News, and Timothy's Gospel is the only one immune to the Hacker's deadly virus. Meanwhile, thanks to a breakthrough in computer software, an NBC crew is racing into the past to capture—live from the suburb of Golgotha—the Crucifixion, for a TV special guaranteed to boost the network's ratings in the fall sweeps. As a stream of visitors from twentieth-century America channel in to the first-century Holy Land—Mary Baker Eddy, Shirley MacLaine, Oral Roberts and family—Timothy struggles to complete his story. But is Timothy's text really Hacker-proof? And how will he deal with the truth about Jesus' eating disorder? Above all, will he get the anchor slot for the Big Show at Golgotha without representation by a major agency, like CAA 1,896 years in the future? Tune in.

Music and War in the United States introduces students to the long and varied history of music's role in war. Spanning the history of wars involving the United States from the American Revolution to the Iraq war, with contributions from both senior and emerging scholars, this edited volume brings together key themes in this vital area of study. The intersection of music and war has been of growing interest to scholars in recent decades, but to date, no book has brought together this scholarship in a way that is accessible to students. Filling this gap, the chapters here address topics such as military music, commemoration, music as propaganda and protest, and the role of music in treating post-traumatic stress disorder (PTSD), enabling readers to come to grips with the rich and complex relationship between one of the most essential arts and the conflicts that have shaped American society.
