Predators Of The World: Fun Facts and Pictures for Kids ...

Children usually do not live in areas where they are exposed to the great predators of the wild. Their sense of wonder is boosted when they learn about bears, sharks, spiders, and tigers who serve as earth's great and small predators. Kids also learn that predators are not evil in any way and that the belief these creatures are "monsters" is wrong. Upon seeing the truth about these animals and the size and scope of the natural world, a sense of wonder and imagination grows.

What does it take to be the "top dog"? In his latest book, the award-winning author and illustrator Steve Jenkins introduces readers to apex predators—the animals that are at the top of their food chains and have no natural enemies. Using his signature art style, Jenkins illustrates how these animals dominate their different ecosystems using speed, strength, and even cooperation and cunning. Take a trip through history and discover apex predators both past and present, from the earliest sea creatures to the modern African lion and giant freshwater ray, which can grow to over fifteen feet.

A perfect gift for the little ones, either boys or girls for their love of sharks, the predators of the sea! This very book, "Shark Kids Coloring Book +Fun Facts about Sharks of the World: Children Activity Book for Boys & Girls Age 3-8, with 30 Super Fun Coloring Pages of the Predators of the Sea, in Lots of Fun Actions!", contains as many as 30 coloring pages of fine line arts of sharks swimming, smiling, hunting, and many other fun actions, such as a shark with crazy face, a wrestler shark, a shark playing with sea bubbles, baby sharks, and yes!, an alien shark! Moreover, this very book contains lots of fun facts about sharks of the world, alongside each and every coloring page that the children would color, so they would gain valuable knowledge easy to understand and presented in a fun & amusing manner. This perfect combination would sure to please your little angels, keep them entertained and busy while exercising their limitless creativity, for their love of this animal, sharks. It is suitable for kids age between 3-8 years, but also suits any child who loves colouring and knowing the creature they love more in a Super Fun way!
