The puppy has been trying to tree a big mountain lion.

Twelve-year-old Kristine, still struggling to come to terms with the death of her beloved horse, finds it difficult to accept the new dog she receives for her birthday.

Some dogs have a bark bigger than their bite. But Sweetie, The Great Dane, can't afford to bark -- or bite. After three little nips and three masters, the next stop is the pound. So when the burglar comes calling, he waves his tail. When coyotes come prowling, he tries to make peace -- as they howl in scorn. They promise they'll return -- to eat his food, his friends, Red the Irish Setter, Poky the Beagle, and Sweetie for dessert! If Sweetie can't protect them they'll all perish! How can he outfox twelve hungry coyotes?

Rick wants to help the starving stray dog wandering around his backyard, but after having been bitten once by a rabid dog, he is terrified to reach out to the hungry pup. Reprint.
