Featuring a modernized design and a brand new ... my Samsung Galaxy Buds Pro, but the trade-off in sound quality and noise canceling is well worth the added size. The XM4s use Sony's new V1 ...

Updated for RPG Maker MV using JavaScript, Make a 2D RPG in a Weekend shows you how to create your very own dungeon crawler game in RPG Maker MV in a single weekend. The entire process, from start to finish, is covered within this book. You will see a variety of dungeon maps and events, all broken down for your convenience. One of the hardest parts of game development is actually finishing a game, but it is also one of the most important steps on the way to becoming a game developer. If you have yet to finish a game, this book will give you the confidence and resources you need to finally be able to create your very own RPG. Once you've completed the game in this book, you'll be able to modify it as much as you like, adding new monsters and quests, and you'll have the skills to go on to create your second game all by yourself. Among the topics covered in this book are: Creating various types of enemy encounters via the use of the eventing system, and JavaScript replacing the old Ruby commands. Creating a special area that allows the player to pick their character of choice instead of being forced to play a particular character. Clever uses of events to create items that allow the player to return to town instantly and summon vehicles to their side. What You'll Learn: Create playable characters that have different attributes and play styles. Create a wide variety of weapons, armors, and items for the player to purchase, find, and use. JavaScript is now used throughout. Design dungeon levels with specific goals in mind. Create treasure chests with random contents or contents based on the player's character. Create doors that require keys or puzzles to unlock. Create a variety of enemy encounters. Who This Book is For: Make a 2D RPG in a Weekend is for anyone who has ever wanted to create a game from scratch. All you need is this book and a copy of RPG Maker MV.

Infrequently, a compelling, heart-warming human interest story such as this one surfaces. This unique story contains a rich panorama of genealogy and history with a close-up perspective of an individual conversion to Christianity and subsequent evangelistic ministry.

The young witch Wadanohara has just returned from a journey across the oceans, searching for a clue to her lost memories. Now that she has come home, along with her familiars Memoca, Dolphi and Fukami, Wadanohara must continue her quest while ensuring the safety of the ocean kingdom she hails from. But a mysterious figure from her past has appeared and demands that she leave her ocean home forever. What dark event transpired in Wadanohara's past and what does it portend for her future?

Reviews over 400 seminal games from 1975 to 2015. Each entry shares articles on the genre, mod suggestions and hints on how to run the games on modern hardware.

Collects What If? (1977) #36-47. More alternate-reality questions are answered! Imagine a world where the Fantastic Four never gained their powers – or one where Stephen Strange never became Master of the Mystic Arts! Consider the fates of the Thing and the Beast if they continued to mutate – or Spider-Man if Uncle Ben had lived! Picture Conan the Barbarian meeting Thor – or finding himself stranded in the 28th century for good! The Hulk goes berserk, Susan Richards dies in childbirth, Nova makes a life-changing decision and Galactus turns the Silver Surfer back into Norrin Radd! But what if Loki had found Mjolnir before his brother – and what if the Marvel Universe ceased to exist?! Plus: Thought-provoking tales featuring Daredevil, the Sub-Mariner, the Avengers and more!

A bona-fide mega-geek serves up 50 real-life recipes for all the delicious foods readers have seen in their favorite sci-fi and fantasy movies, TV shows and video games, including Game of Thrones, Hunger Games, World of Warcraft and Star Trek. Original.

A tabletop pen-and-paper roleplaying game of professional wrestling action.

This book constitutes the refereed proceedings of the 7th Joint International Conference on Serious Games, JCSG 2021, as virtual event, in January 2022. The 17 full papers presented together with 3 short papers were carefully reviewed and selected from 28 submissions. JSCG 2021 is dedicated to serious games and its interdisciplinary characteristics combining game concepts and technologies required in the different application domains.
