Getting Started: Saxon Math 54-87

Nicole the Math Lady does a fantastic job of teaching new concepts and the Saxon Teacher CDs contain explanations for how to work out every math problem in the course. CONS: There are 30 daily practice problems, which may overwhelm some students. Explanations in the textbook are a bit dry without one of the teaching videos mentioned above.

Saxon Math vs Teaching Textbooks vs Math-U-See: Which Is ...

Saxon Math has consistently been one of homeschoolers' top choices when it comes to math curriculum. Saxon's incremental approach to education has been proven to be one of the most effective teaching methods; learning pieces of information in small amounts, and then continually repeating concepts keeps information fresh and active in one's mind, preventing once-learned information from ...

Saxon Math Grade 6 Worksheets - Teacher Worksheets

I am a fourth grade teacher and have used the Saxon math program for about 9 years. The first year I used the 54 book and then went to the manipulative program. I found the 54 book somewhat dull and difficult for students who need to handle, count, move, etc. The manipulative program works well. You can get your own tools but you need the worksheets that go with the program. I also supplement ...
