Sharpe's Tiger is the first book in the series, chronologically, though it was not the first published. That honor belongs to Sharpe's Gold. I recommend reading the books chronologically, however, because that gives you a better sense of the history of Britain's wars as well as the evolution of Sharpe's character.

When a senior British officer is captured by the Tippoo of Mysore's forces, Sharpe is offered a chance to attempt a rescue, which in turn offers an escape from the tyrannical Sergeant Obadiah Hakeswill. But in fleeing Hakeswill, Sharpe enters the exotic and dangerous world of the Tippoo. An adventure that will require all of his wits just to stay alive, let alone save the British army from catastrophe.

"The greatest writer of historical adventures today." —Washington Post Critically acclaimed, perennial New York Times bestselling author Bernard Cornwell (Agincourt, The Fort, the Saxon Tales) makes real history come alive in his breathtaking historical fiction. Praised as "the direct heir to Patrick O'Brian" (Agincourt, The Fort), Cornwell has brilliantly captured the fury, chaos, and excitement of battle as few writers have ever done—perhaps most vividly in his phenomenally popular novels following the illustrious military career of British Army officer Richard Sharpe during the late 18th and early 19th centuries. In Sharpe's Triumph, Sharpe's hunt for a traitorous renegade British officer leads the courageous young sergeant straight into the fires and madness of India's Battle of Assaye in September 1803. Perhaps the San Francisco Chronicle said it best: "If only all history lessons could be as vibrant."

the illustrious military career of British Army officer Richard Sharpe during the late 18th and early 19th centuries. Chronicling Sharpe's involvement in the famous Battle of Trafalgar in 1805, Sharpe's Trafalgar finds the young ensign captive on a French warship and in gravest peril on the eve of the one of the most spectacular naval confrontations in history. Perhaps the San Francisco Chronicle said it best: "If only all history lessons could be as vibrant."

Richard Sharpe and his men, quartered in a crumbling Portuguese fort, are attacked by an elite French unit, led by an old enemy of Sharpe's, and suffer heavy losses. The army's high command blame Sharpe for the disaster and his military career seems to be ruined. His only hope is to redeem himself on the battlefield. So with his honour at stake, against an overwhelming number of French troops, Sharpe leads his men to battle in the narrow streets of Fuentes de Oñoro.
