The goal is the slave learning, obeying and performing the slave positions properly when commanded to do so. The tool is the obedience to commands. The slave positions themselves act as physical reinforcers of her enslavement to the Master. When you practice, you repeat the same actions to learn something.

This slave of mine is like my little inventor of things. He's always thinking of things to make for me to make my sadistic side of life far more fulfilling. He will come to see me with all kinds of new gadgets its just the best!! Knowing how clever this slave is I demanded a tiny little metal J to be made.
