centre of government
can retain political and
administrative control
when delivery of public
services is increasingly
done through networks,
contacts, partnerships,
and a host of other
devolved arrangements.

Steering from the Centre

□ Strengthening Political Control ...

The hub-center steer concept is a very old one used as early as 1910 by the British James Cycle Co, and in 1920 by Ner-a-Car, and enjoyed an aftermarket vogue in the 1970s through the work of Jack Difazio in the UK.

Mead & Tomkinson

English - Framsenderet

The center of government (CoG) is the institution or group of institutions that provide direct support to the chief executive (president or prime minister) in leading the management of government. Unlike line ministries and other government agencies,

Download File PDF Steering

the CoG does not deliver services directly to the citizens, and it does not focus on a specific policy area.
