~~Feature Writing—Media Studies~~

Feature writing is very much a compartmentalised (puts things into boxes or compartments) way of writing. The use of such hooks is vital to fluent textual transitions from one section to another.

Transitions through typographical devices is easier for feature writers because they

do not have to write their way through the
transition.

Feature Writing 1. One who knows fully the art of fine writing in all its dimensions. A journalist who not only can report facts, but can transmit the mood and tone of an event. who can impress upon the reader the significance of what happens. Facts for authority; mood and tone for sympathy; interpretation for lucidity.
