Challenge, not a woman who takes her breath away. Catherine St Day looks forward to a quiet widowhood once her late husband ' s scientific legacy is fulfilled. She expected to hand off the translation and wash her hands of the project—instead, she is intrigued by the young woman who turns up at her door, begging to be allowed to do the work, and she agrees to let Lucy stay. But as Catherine finds herself longing for Lucy, everything she believes about herself and her life is tested. While Lucy spends her days interpreting the complicated French text, she spends her nights falling in love with the alluring Catherine. But sabotage and old wounds threaten to sever the threads that bind them. Can Lucy

"[Manda] Collins is a delight" (Elizabeth Hoyt) in this fun and flirty historical rom-com, where an intrepid female reporter matches wits with a serious, sexy detective -- perfect for fans of Tessa Dare, Julia Quinn, and Netflix's Enola Holmes! England, 1865: Newspaper columnist Lady Katherine Bascomb finds herself the subject of speculation when

Her latest article leads to an arrest in the murders plaguing London. The English believe women ought not to write about such vulgar things as crime, and a particularly attractive detective inspector is incensed that she's interfered with his investigation. To escape her sudden notoriety, Katherine heads to the country-only to witness a murder upon her arrival. Detective Inspector Andrew Eversham is appalled when Lady Katherine entangles herself in one of his cases-again. Her sensationalist reporting already nearly got him kicked off the police force, and he'll be damned if he permits her to meddle a second time. Yet, her questions are awfully insightful, and he can't deny his attraction to both her beauty and brains. As the

clues point to a dangerous criminal, the two soon realize their best option is working together. But with their focus on the killer lurking in the shadows, neither is prepared for the other risk the case poses-to their hearts.

Mad Men, and The Devil Wears Prada” (Entertainment Weekly), a young woman navigates a tricky twenty-first-century career—and the trickier question of who she wants to be—in this savagely wise debut novel Casey Pendergast is losing her way. Once a book-loving English major, Casey lands a job at a top ad agency that highly values her ability to tell a good story. Her best friend thinks she’s a sellout, but Casey tells herself that she’s just paying the bills—and she can’t help that she has champagne taste. When her hard-to-please boss assigns her to a top-secret campaign that pairs literary authors with corporations hungry for upmarket cachet, Casey is both excited and skeptical. But as she crisscrosses America, wooing her

former idols, she ' s shocked at how quickly they compromise their integrity: A short-story writer leaves academia to craft campaigns for a plus-size clothing chain, a reclusive nature writer signs away her life ' s work to a manufacturer of granola bars. When she falls in love with one of her authors, Casey can no longer ignore her own nagging doubts about the human cost of her success. By the time the year ' s biggest book festival rolls around in Las Vegas, it will take every ounce of Casey ' s moxie to undo the damage—and, hopefully, save her own soul. Told in an unforgettable voice, with razor-sharp observations about everything from feminism to pop culture to social media, A Lady ' s

Hard-drinking petty thief Dellaria Wells is down on her luck in the city of Leiscourt -- again. Then she sees a want ad for a female bodyguard, and she fast-talks her way into the high-paying job.

Along with a team of other women, she's meant to protect a rich young lady from mysterious assassins. At first Delly thinks the danger is exaggerated, but a series of attacks shows there's much to fear. Then she begins to fall for Winn, one of the other bodyguards, and the women team up against a

The adventurous Countess Harleigh finds out just how far some will go to safeguard a secret in Dianne Freeman ' s latest witty and delightful historical mystery . . . Though American by birth, Frances Wynn, the now-widowed Countess of Harleigh, has adapted admirably to the quirks and traditions of the British aristocracy. On August twelfth, otherwise known as the Glorious Twelfth, most members of the upper class retire to their country estates for grouse-shooting season. Frances has little interest in hunting—for birds or a second husband—and is expecting to spend a quiet few months in London with

her almost-engaged sister, Lily, until the throng returns. Instead, she ' s immersed in a shocking mystery when a friend, Mary Archer, is found murdered. Frances had hoped Mary might make a suitable bride for her cousin, Charles, but their courtship recently fizzled out. Unfortunately, this puts Charles in the spotlight—along with dozens of others. It seems Mary had countless notes hidden in her home, detailing the private indiscretions of society ' s elite. Frances can hardly believe that the genteel and genial Mary was a blackmailer, yet why else would she horde such juicy tidbits? Aided by her gallant friend and neighbor, George Hazelton, Frances begins assisting the police in this highly

Sensitive case, learning more about her peers than she ever wished to know. Too many suspects may be worse than none at all—but even more worrying is that the number of victims is increasing too. And unless Frances takes care, she ’ ll soon find herself among them . . . “ Engrossing . . . Freeman takes a witty look at Victorian polite society. Historical mystery fans will be delighted. ”

did as a wife. With her young daughter in tow, Frances rents a home in Belgravia and prepares to welcome her sister, Lily, arriving from New York—for her first London season. But no sooner has Frances begun her new life than the Metropolitan police receive an anonymous letter implicating Frances in her husband ' s death. Frances assures Inspector Delaney of her innocence, but she ' s also keen to keep him from learning the scandalous circumstances of Reggie ' s demise. As fate would have it, her dashing new neighbor, George Hazelton, is one of only two other people aware of the full story. While busy with social engagements on Lily ' s behalf, and worrying if Reggie really was murdered, Frances
