The Darkest Night is a brilliant start to
the series- it jumps right into a
delightful darkness that the Lords of
the Underworld carry within them-
and I say that they literally carry the
darkness within them. It all starts

The Darkest Night (2 book series)

Kindle Edition

The Darkest Night is character-driven and also very descriptive. Set in modern times in a small, rural English village, there are throwbacks to an earlier era and way of life. Centre to the story is a family of landed gentry living in Brockburn, Many thanks to NetGalley and St.Martins Press for this compelling ARC.

I very much enjoyed The Darkest Night by Gena Showalter. This book had it all, romance, action, demons and steamy love scenes! I loved the story, the longing between Maddox, a man who never meant to fall in love and Ashlyn who never thought she could but always wanted to. I loved the camaraderie between the lords.

THE DARKEST NIGHT explores the true story of this unholy sacrifice of youth and misplaced trust in a gripping, throat-tightening way. It is an almost-hypnotic read, hard to look away from. But it is also compassionate as we question the awful fate of the victims, sadly singled out by fate or luck or whatever shapes our destinies.
