Discover all that Photoshop CS5 has to offer with ADVANCED ADOBE PHOTOSHOP CS5 REVEALED. This book teaches advanced design techniques using one of the most popular photo-editing programs on the market. Using step-by-step tutorials, readers work with curves, levels, blending modes, painting and drawing tools, and the latest Photoshop special effects to create professional-quality designs and images. They are challenged not only as Photoshop users but as designers, following the steps a designer would take to complete real-world projects. They also see what works in a design and what doesn't. Readers then take their craft to the next level by using the advanced end-of-chapter learning projects. The book's full-color interior and highly visual design make this the ideal book for learning advanced design techniques using the latest version of Adobe Photoshop. Important Notice: Media content referenced within the product description or the product text may not be available in the ebook version.
