The Land Is Ours tells the story of South Africa 's first black lawyers, who operated in the late nineteenth and early twentieth centuries. In an age of aggressive colonial expansion, land dispossession and forced labour, these men believed in a constitutional system that respected individual rights and freedoms, and they used the law as an instrument against injustice.

On 13 October 2020 we welcomed leading South African lawyer and author Tembeka Ngcukaitobi SC for a keynote speech 'The Land is Ours': recovery and redistribution of communal land in post-colonial South Africa, where he spoke about the expropriation of land under Portuguese, Dutch and most significantly, British colonial rule in South Africa in the broader context of colonial injustice in the continent, and discuss what is being done in South Africa to seek redress through the Land Tribunal ...

[Black History Month: The Land is Ours – keynote speech](#)

His careful reconstruction of African American life, labor, and leisure in small oceanside communities reveals the variety of ways African Americans pursued freedom and mobility through the land under their feet. The Land Was Ours makes unexpected connections between two seemingly diverse topics: African Americans ' struggles for economic empowerment and the ecology of coastal lands. Kahl ' s innovative approach allows him fresh insights into the rise of African American consumers and the ...

The Land Was Ours: African American Beaches from Jim Crow ...

REVIEW — The Land is Ours. This is an excruciating book of loss of crucial black talent that describes how all-encompassing the colonial and apartheid systems were in destroying all manner of black lives. A historical journey through the history of the country's first black lawyers and the founding of what would become the ANC, the book is also testimony to the resilience of the black spirit.

The Land Was Ours African American Beaches from Jim Crow ...

"The Land Was Ours reminds us that in the Sunbelt South, the rise and fall of Jim Crow, the struggle for civil rights, and the exploitation of ecosystems were fundamentally related processes that shouldn't be treated in isolation. That reminder, combined with fascinating, evocative evidence and Kahrl's ability to deftly tell a complicated story, make this a significant book that should be widely read."--

The Land Was Ours reminds us that in the Sunbelt South, the rise and fall of Jim Crow, the struggle for civil rights, and the exploitation of ecosystems were fundamentally related processes that shouldn't be treated in isolation. That reminder, combined with fascinating, evocative evidence and Kahrl's ability to deftly tell a complicated story, make this a significant book that should be widely read.--

The Land Was Ours: How Black Beaches Became White Wealth ...

The Land Was Ours shows how the law has been used to steal property from African Americans. There is no wonder that some (many) African Americans have a deep-seated distrust of the legal system, the white courthouse gang, lawyers who cheat their clients, and big city developers - white and black alike.

The Land Was Ours: African American Beaches from Jim Crow ...

In *The Land Was Ours*, Kahrl places geographic focus on Southern beaches in order to analyze the history of African American life in the coastal South and to examine the connection of race and leisure space in the twentieth century. Beaches had become since the nineteenth century popular places of leisure and one of the only ways to cool down in stifling summer heat, and Kahrl describes the ...

Black History Month – 'The Land is Ours'

As a result, black southerners lost both land and important social and cultural touchstones. The Land Was Ours makes several key contributions to the histories of the South's environment and civil rights struggles. By linking political, economic, and environmental history, Kahrl reinforces welcome trends from recent scholarship.
