World-famous lecturer, Thiagi, master of fun and games in training, has created a valuable resource for using lectures in the workplace setting for training and learning. He offers readers seven well-tested interactive lecture methods capable of turning almost any stand-up lecture into true two-way communication by incorporating highly stimulating game elements and exercises. Readers are encouraged to photocopy or modify these useful tools to meet the specific needs of most audiences and lecture topics.

Here's the **"must have"** reference book for anyone involved in training, human resources development, and workplace learning. Published by the most trusted name in the industry, **"The ASTD Handbook for Workplace Learning Professionals"** is a required tool for all learning professionals. This practical **"go to"** resource is a new contribution to the field, comprising 50+ chapters, each authored by renowned industry practitioners. The handbook offers the most up-to-date methodologies and practices covering the entire range of the training and development profession and also includes valuable worksheets and tools on a companion CD-ROM.

This practical, how-to overview of the entire training function provides new trainers with critical training skills. Use **"ASTD's Ultimate Train the Trainer"** program to bring new trainers quickly up-to-speed, engage SMEs in the learning process, and enhance seasoned trainers' skills with the latest techniques for delivering powerful training. Following the proven ADDIE methodology, **"ASTD's Ultimate Train the Trainer"** provides a comprehensive program including options for full-day or multi-day session agendas, as well as learning activities, customizable PowerPoint[registered] slides, and participant handouts. Authored by training's consummate professional, Elaine Biech, **"ASTD's Ultimate Train the Trainer"** is a 'must have' for every training manager's bookshelf.

Thiagi's 100 Favorite Games is an exciting new resource from Sivasailam "Thiagi" Thiagarajan, who is acknowledged as the world's foremost authority on interactive learning. This is a first-of-its-kind collection that represents game play at its very best. Thiagi offers the "how-to" and the "lowdown" on his all-time favorite games. With this resource, you'll never be stuck for a fun, innovative, and effective activity. Thiagi's 100 Favorite Games can be used to: Illustrate concepts Aid learning transfer Improve team work Build critical skills in any training event Energize meetings Or us as Icebreakers, or openers and closers to a formal training session

Economics, finance, business and industry.

Smart trainers know that games and activities can involve adults in learning like no other instructional method and no one knows more about games than Sivasailam "Thiagi" Thiagarajan. In this must-have resource, Thiagi shows you how to customize more than thirty different kinds of games -- games that fit the circumstances perfectly and that can be designed in mere minutes.

Featuring contributions from some of the world's most renowned cross-cultural management theorists and commentators, this breakthrough text explores the cross-cultural dynamics within organizations. The book examines the evolving role of cultural diversity in the workplace, the application of cultural comprehension to organizations, and the measurement of various aspects of intercultural competence.

Like a great leader, a great leadership training aligns the right people to the right task at the right time. Whether you are developing a first-rate leadership development program from scratch or adding to an existing workshop, let leadership expert and master trainer Lou Russell be your guide. The second book in the ATD Workshop Series, Leadership Training presents a step-by-step blueprint to developing and delivering dynamic, powerful leadership training. Complete with effective training methodologies, this book helps you accelerate learning and leverage technology for maximum efficiency. You'll also find tools to assess leadership strengths and weaknesses. Half-day, full-day, and two-day workshop programs found in this volume make planning easy and can be tailored for the unique needs of your organization. Supplemental resources are available online and include downloadable and customizable presentation slides, handouts, assessments, and tools. About the series The ATD Workshop Series is written for trainers by trainers, because no one knows workshops as well as the practitioners who have experienced it all. Each publication weaves in today's technology and accessibility considerations and provides a wealth of new content that can be used to create a training experience like no other.

We need to change how we change. Successful organizations are proactive about change and can turn obstacles into opportunities. Thus managing change--its constant barrage, faster pace, and complexity--has become a required skill for leaders, managers, and employees alike. In Change Management Training, master trainer and innovator Elaine Biech presents a complete lineup of workshop resources and tools needed to conduct effective change management training. Help managers understand their expanded role, practice new management techniques, and demystify the people side of change with innovative two-day, one-day, and half-day training workshop. You'll find all the activities, handouts, tools, and assessments you need inside. Free tools and customization options The free, ready-to-use resources (PDF) that accompany this book include downloadable presentation materials, agendas, handouts, assessments, and tools. All workshop program materials, including MS Office PowerPoint presentations and MS Word handouts, may be customized for an additional licensing fee. Browse the licensing options in the Custom Material License pricing menu. Preview a sample activity from the book. About the Series The ATD Workshop Series is written for trainers by trainers, because no one knows workshops as well as the practitioners who have done it all. Each publication weaves in today's technology and accessibility considerations and provides a wealth of new content that can be used to create a training experience like no other.
