Musical Instruments - Yamaha - UK and Ireland

Finally, tune the instrument while paying close attention to the tension balance of the six strings. If you have adjusted the spring on the underside of the body or the bolt supporting the bridge, you will not be able to return the tremolo to its original state using this method. In this case, you should have the instrument adjusted at a store.

BUENA PARK, Calif. (December 13, 2017) □ Yamaha has once again donated a large number of band and orchestral instruments that had been damaged in shipping to help train the next generation of band instrument repair (BIR) technicians at Western Iowa Tech Community College (WITCC) in Sioux City, Iowa. This donation represents the most recent installment in the company's ongoing, industry-leading investment in music education to provide classrooms with tangible tools.
